ITINERARY

CHECK IN

- Check-in — 12:00 PM

LUNCH

This package is just lunch — a relaxed, 2-hour farm visit built entirely around the meal. We pride ourselves on growing our own food. The food we serve is simple, Indian, homely, and delicious! We use local grains and foraged vegetables rarely found in the city, so our menu isn't always traditional.

LUNCH VISIT

DETAILS

Lunch at the farm is an ode to forgotten, natural foods that grow and thrive with each season — celebrating simple village recipes drawn from local and Indian culinary traditions. Every dish reflects our commitment to honouring the land, cooked with the same authenticity and simplicity as in Indian villages for generations.
